

Payments for Career Posting

Fees:

- 75.00\$ For posting by members in good standing
- 150.00\$ For posting by non-members

Requirements and Rules:

Career postings typically consist of a brief text explanation of the career, your logo (if provided) and a link to your webpage and/or a pdf copy of the full career description (if provided). Please note that the brief text explanation should not contain significant formatting as it can be impossible to have your text display correctly on multiple different systems. However, we will try to match your formatting as much as possible. Please send an email to webmaster@nbboa.ca with all your details, and once we have processed your payment, we will post your career opening.

The timeframes for career postings are as follows;

- -The Website Committee is notified that the position has been filled;
- -The deadline for applications has passed, or;
- -The article has been posted for six (6) months.

Should a deadline for applications be extended the Website Committee must be made aware of the extension in writing. At that time the job posting will be extended to a maximum of six (6) months from the initial date of posting.

Should a position not be filled within the six (6) month period the job posting may be reposted at the applicable rate.
