

Volunteer Appreciation Award Criteria

Volunteerism enriches our Association and makes many activities and resources available that would not otherwise exist. There is no question that contributions from volunteers greatly enhance our communities and our community organizations.

The New Brunswick Building Official's Association (NBBOA) is committed to recognizing and celebrating outstanding volunteer service. At our Annual General Meeting, we pay tribute to individuals who go above and beyond and exemplify the true potential of volunteers to make a difference to NBBOA.

The Award is used to honor an NBBOA Member who has worked diligently to further the mission of the organization through the use of their time and resources. This might include a new NBBOA Member who has taken on a leadership role, an existing Member who has dedicated additional resources to a committee, or one of the NBBOA Executive Committee Members who has worked hard to expand the organization.

The Award will be presented to the winner during the annual banquet. Nominations are currently being accepted for the Award.

Nominees must meet the following criteria:

- Make an outstanding contribution to the Association through volunteer service;
- Demonstrate exceptional commitment, service, creativity, cooperation, or leadership;
- Serve as a role model for others in the Association;
- Inspire others to engage in volunteer service;
- Must not be paid for their activities.

To nominate an individual, please complete the following form. A separate form should be filled out for each volunteer that is being nominated. Please be sure to provide all information requested. Incomplete nomination submissions may result in disqualification.
