2018 Education Calendar

Location of Courses and Exams (unless specified otherwise):
Hugh John Flemming Forestry Centre
1350 Regent Street, Fredericton, NB

Enclosed is the Course Calendar, Exam Dates, and latest Alignment Table. For Course Outlines and information concerning the Education Committee Policies, please visit the website at www.nbboa.ca or email the Education Committee Chairperson, Denessa Pollock, at dpollock@quispamsis.ca. For any further information regarding Qualification or Certification, please visit the website at www.nbboa.ca or email the Certification Chairperson, Pam Bentley at pamela.bentley@saintjohn.ca

2018 Course Calendar			
Course Title	Course Dates	Member Fee	Non-Member Fee
The House	February 5 - 9, 2018	\$875	\$1,050
Maintenance Course National Building Code	2015 March 2018		
Part 3 - Complex Buildings	May 14 -18, 2018	\$875	\$1,050
Maintenance Course Energy Efficiency	9.36 September 24 - 26, 2018	\$525	\$630
Part 9 - Small Buildings	October 15 - 19, 2018	\$875	\$1,050
Part 3 - Plans Examinations	November 19 - 21, 2018	\$525	\$630
Completed Course Registration Forms and Fees must be submitted 14 days prior to the start date of the Course. The NBBOA runs on a cost recovery basis and therefore 14 days prior to delivery of a course, registration is reviewed to ensure we are able to cover the operating costs of delivering the course.			
Courses that are shaded in green are the New Block Courses that the NBBOA has obtained through ACBOA. The exam(s) associated with these courses are ICC Exams. See Alignment Table for direction on which courses align with which exams. These exams are paid for separately and written after course completion , on a scheduled exam date. See available Exam Dates below.			

2018 Exam Dates	
March 14 - June 13 - September 19 - November 14	\$200
Completed Exam Registration Forms and Fees must be submitted 21 days prior to exam date . ICC Exams are ordered through ICC in Alabama and in order to guarantee that they will be here for the chosen exam date, sufficient notice is required. ICC exams are non-refundable.	

2018 Exam Alignment Table

The purpose of the table is to give members some direction on how courses align with Qualification and Certification requirements. Certification requirements will not change. However, with the block course system, an individual will be taking a course to help prepare themselves to write the corresponding ICC exam(s).

	Course Title	Exam Title
Level I	The House	Level I - Building Envelope
		Level I - Health and Safety
	Communication Skills for Building Officials	Communication Skills for Building Officials
	Legal Processes and Responsibilities	Legal Processes and Responsibilities
Level II	Part 9 - Small Buildings	Level II - HVAC and Fire
		Level II - Structural
	Part 9 - Plans Examination	Part 9 - Plans Examination
	Barrier Free Design	Barrier Free Design
Level III	Part 3 - Large Buildings	Level III - Classifications & Construction
		Level III - Health and Safety
		Level III - Life Safety Systems
	Part 3 - Complex Buildings	Level III - Fire Protection
	Part 3 - Plans Examination	Part 3 - Plans Examination

Courses that are shaded in green are the Block Courses that the NBBOA has obtained through ACBOA. These comprehensive block courses will help prepare an individual to effectively write the corresponding ICC exam.

Exams that are shaded in blue will be ICC exams. These exams are written post course completion on the exam dates provided. The ICC exam will be paid at the time of registration for the exam, separately from the course.
