

NEW BRUNSWICK BUILDING OFFICIALS ASSOCIATION, INC.
Association des Officiels de la Construction du Nouveau-Brunswick

APPLICATION FOR "CBCO" CERTIFICATE REPLACEMENT

On June 10, 2011 Royal Assent to Bill 15, *An Act to Amend An Act Respecting Building Officials and the New Brunswick Building Officials Association* was received. The New Brunswick Building Officials Association has retired the "Certified Building Code Official" (CBCO) designation in favor of the "**New Brunswick Certified Building Official**" (NBCBO) designation.

The NBBOA would like to stress that this will not have an affect on any member who is presently certified at any level having the "CBCO" designation, however, it is the wish of the Association to provide members with updated certificates to reflect the use of the new certification terminology. Please complete all sections below and return to the NBBOA Secretary as soon as possible.
