CCMC Registry of Product Assessments

As of April 1, 2020, the CCMC is beginning to convert its evaluations to a new HTML format. During the transition, users will continue to be able to access all evaluations. Evaluations published in HTML format will no longer require login credentials for access.

The Canadian Commission on Construction Materials Evaluation (CCCME) has directed the Canadian Construction Materials Centre (CCMC) to issue this (and other) publications to inform the CCMC's audience on various topics. For more information, please contact the CCMC by phone at 613-992-1678 or by email at ccmchelpdesk@nrc-cnrc.gc.ca.
